- **APPOINTMENT CANCELLATIONS/NO SHOW POLICY:** In order to efficiently care for all of our patients, we request that you cancel or reschedule your child's appointment no later than **24 hours** prior to the appointment time. Oak Park Pediatrics Ltd. charges a fee of \$75 for missed appointments or appointments that are not **canceled/ rescheduled** within 24 hours of the appointment time.
- **LATE ARRIVAL POLICY:** In order to run on-time and diminish wait times for our families, we ask that you arrive a few minutes early to check in for your appointment. If you are late for more than ½ of your allotted appointment time, you may be asked to reschedule and this will be considered a missed appointment and subject to our NO SHOW policy of \$75.
- **WELL VISIT POLICY:** Well child care includes discussion about preventative care, tracking growth and development, and providing anticipatory guidance. **Chronic or acute care issues that are discussed at the time of well child visits are subject to additional charges** which may generate a co-pay or may be applied to your deductible. Our office is required by law to follow specific national guidelines set forth regarding billing for patient visits. Our goal is to provide convenience to our patients. We schedule longer check up times to be able to address concerns and save your family from having to

come back for a follow up office visit. In some instances, your physician may ask you to schedule a follow up appointment if all concerns cannot be addressed within the time constraint of the check up. We encourage all families to know as much as possible about their insurance plans so they are not surprised by charges that may arise regarding the care of their child.

- **Practice Policy for Divorced or Separated Parents:** We respectfully ask that parents NOT place our office in the middle of family disagreements. We rely on parents to help keep our practice atmosphere calm, supportive and professional.
 - Illinois state law mandates that both parents have a right to access a child's medical record and make medical decisions. If one parent's role is legally restricted by Court Order, we ask that you provide this document, as well as a letter from your attorney stating our office's specific legal obligations.
 - All co-pays, deductibles and balances are due at the time of service. Any parent bringing the child in is responsible for this amount even if the other parent is responsible for medical insurance or expenses. **Please do not ask our office to collect payments from a parent who is not present at, and may be unaware of, the visit.**
 - It is the responsibility of the parents to communicate with each other about pertinent information relevant to a child's health outside of the office visit. **Please do not ask us to routinely call/update the non-attending parent following visits.**

- **Code of Conduct:** Our practice follows a zero-tolerance policy for aggressive behavior, intimidating language, and/or disparaging comments made in the office, over the phone, or via social media that are directed towards or are about our staff or physicians. These behaviors negatively impact the physician/patient relationship and may be grounds for dismissal from the practice.
 - If you have any questions about your child's care, please ask to speak with a doctor or nurse.
 - If you are unhappy with the service received in our office, please contact our practice manager.
